Dear Admiral Turner,

The Young Presidents' Organization is holding its 28th Annual University for Presidents at the Fairmont Hotel in San Francisco, February 6-10, 1978. YPO is a non-profit international educational association of chief executives. We have over 3,300 members worldwide each one having become president of a substantial business before the age of 40.

The most exciting and comprehensive educational event of the YPO year is our annual week-long University for Presidents. Approximately twelve hundred people, six hundred members and their spouses, will be in attendance. The University will feature an outstanding faculty presenting a broad spectrum of business, personal development and cultural subjects. Enclosed are curricula from previous universities to give you an idea of the caliber of people who devote their time and talent to the education of our members.

As Education Chairman for this University I cordially invite you to be a Keynote Speaker at lunch on Monday, Tuesday or Wednesday, February 6, 7 or 8. As a Keynoter you will be addressing all 1200 attendees.

The choice of topics is up to you but I know our members would be most interested in your thoughts on the relative strategic strength of the United States or the current status of our intelligence capability. YPO traditionally offers a secure environment so your comments will be off the record if that is your desire. A speech of about 45 minutes would be appropriate.

For you and your wife or guest we will provide round trip first class air fare and a suite at your choice of the Fairmont or Stanford Court Hotel. In addition, we offer \$1,000 as an honorarium or contribution to your favorite charity.

I hope you will find time in your busy schedule to honor us by delivering a Keynote Speech.

Sincerely,

Ronald Weintraub
Education Chairman
